ELLIE'S TREASURE HUNT!

I love playing this one with Richie - I always win! Can you find an item in your house beginning with the following letters?

For example, for the letter "B" you might find a book, and for the letter A you might find an apple! Give it a go and see how many you can find! Tip: you can't use the same item twice!

H _____

B _____

E _____

E _____

M _____

S _____

C _____

COLOUR-IN RICHIE!

Oh no! I've lost all my colours - can you colour me in and get me back to feeling myself?

Thanks!

SPOT THE DIFFERENCE!

Which one's the real Ellie the Elephant, and which one's the imposter?
See if you can spot all 5 differences between the pictures below to find
the real Ellie!

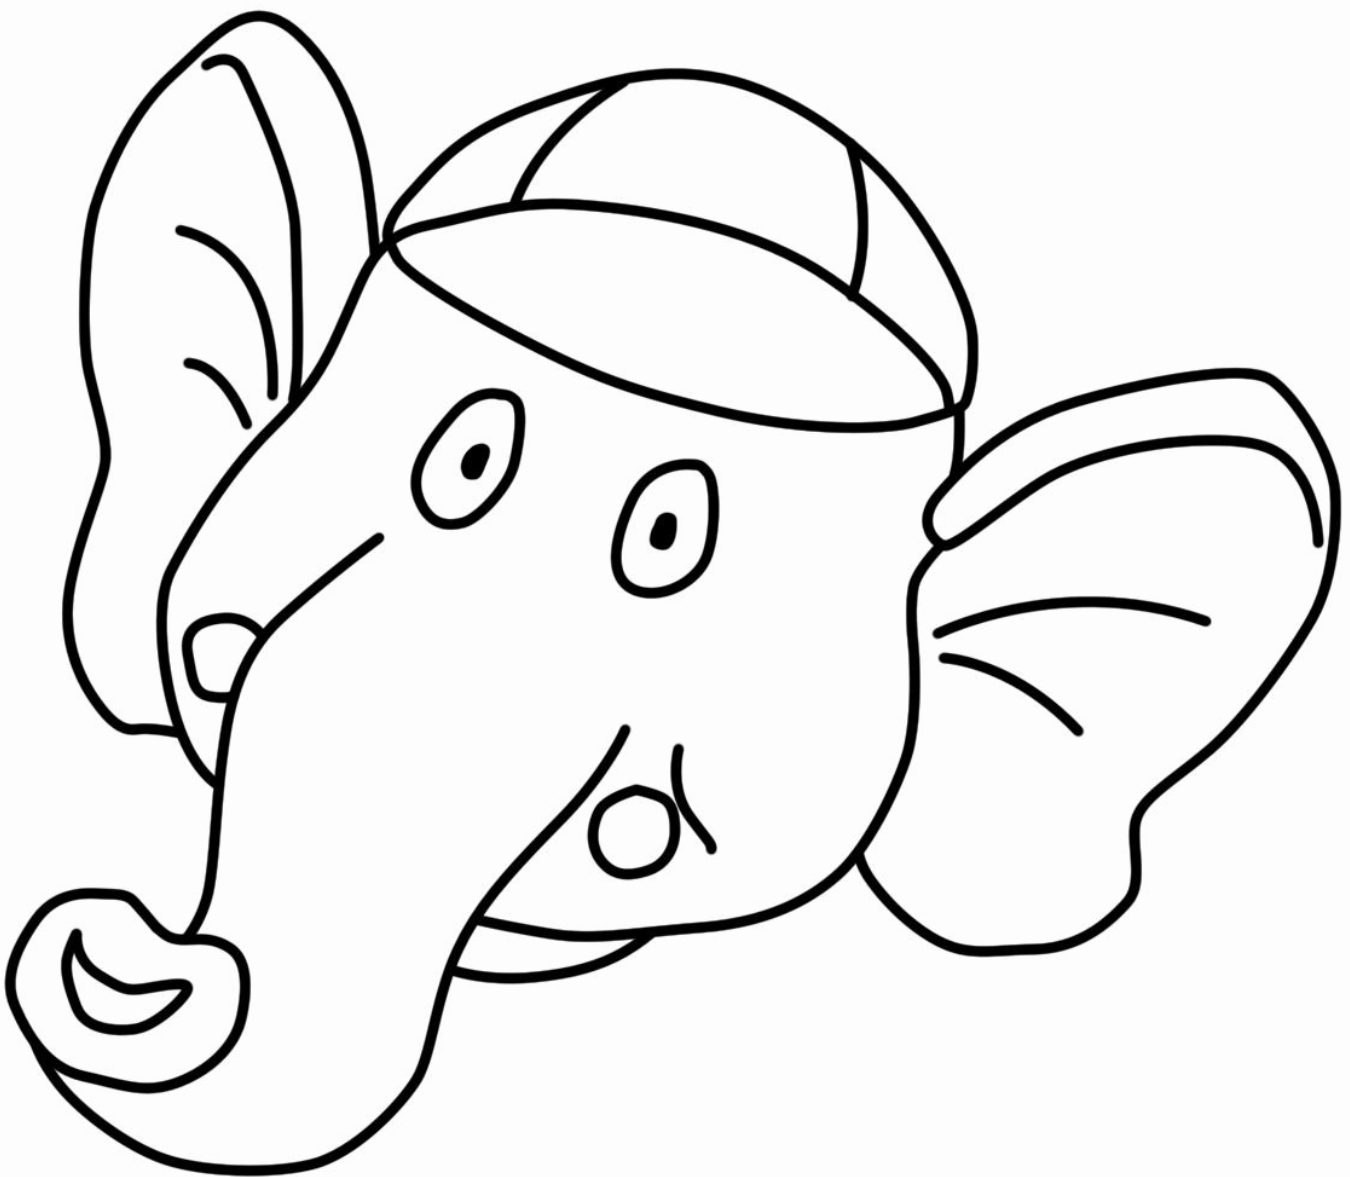

Good luck!

COLOUR-IN ELLIE!

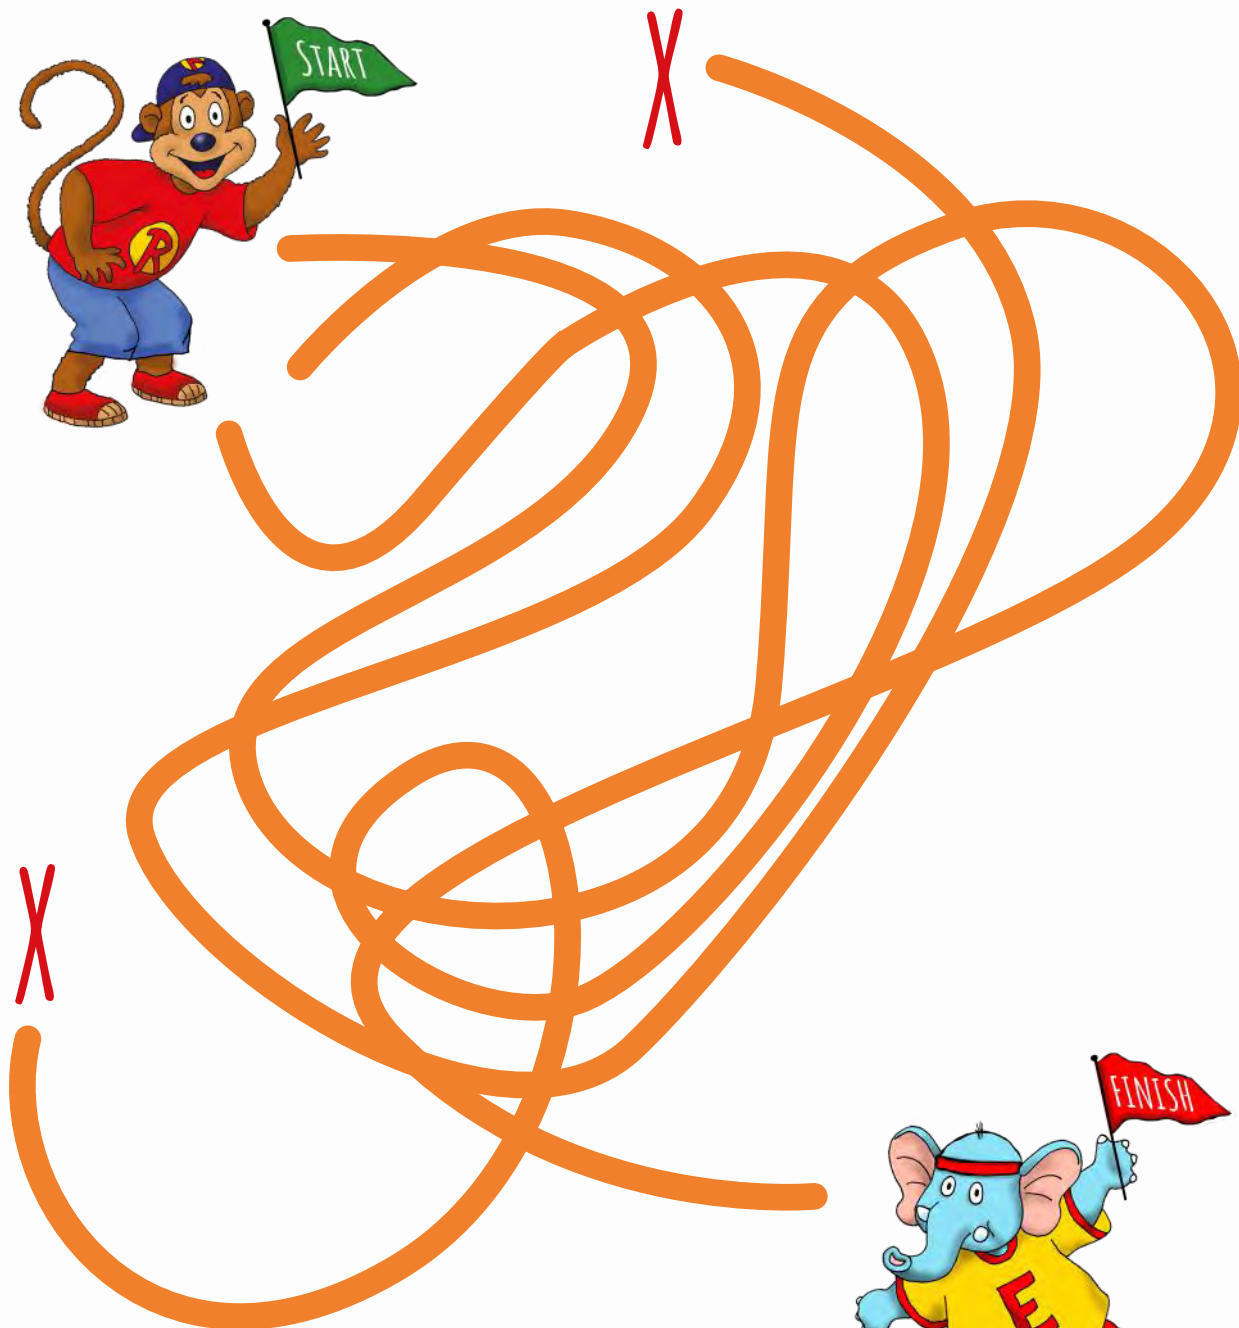

Oh no! Now Ellie has lost all her colours - would you mind helping her out, too?

Thanks!

HELP RICHIE FIND ELLIE!

SNAP!

The next 2 pages are for playing a fun game of snap!

Make sure an adult prints out the next two pages doubled sided, so Ellie & Richie are on the front and the blue side with the 'R' is on the back!

Then, ask for a grown-up's help to carefully cut out along the dotted lines to make them into a set of cards for playing snap.

Split the cards into 2 sets, so each set has one of each Character card.

Mix up the cards and then, so you can't see which characters are on the cards, give one set to another player. This could be you and a grown-up, you and your brother or sister or anyone who lives in your house! This game of snap is made to be played between 2 people - you can get your grown-up to print more sets out if you want to play with more than 2 people!

Then, each player must place down a card. If you place down the same card as the person before you, you must shout "SNAP!". The person who shouts "SNAP!" first wins the round! That player then gets all the cards in the pile.

Keep playing until one person wins all the cards - that person wins the game!

We hope you enjoy - we had lots of fun dressing up!
